# SAVE THE BAY

# YOUR SPONSORSHIP SUPPORTS THE BAY

**The San Francisco Bay** is the largest estuary on the Pacific coast. Its ecological and biological significance makes it vital to protect and restore for future generations.

- **It is home** to over 1,000 species of animals, including threatened and endangered wildlife.
- **Its shoreline provides** millions of Bay Area residents with access to parks, open space, recreation, and more than 300 miles of Bay trail.
- **It supports** our local economy by creating hundreds of thousands of jobs in tourism, fishing, recreation, and education.

In this era of climate change, Save The Bay is dedicated to protecting and restoring San Francisco Bay, our most important natural resource.

# YOUR SPONSORSHIP HELPS SAVE THE BAY

**When you become a Blue sponsor** you receive a variety of benefits, which include group ticket options, a limited edition goodie bag, a custom excursion, and recognition opportunities that highlight your support for the Bay.

Your sponsorship directly funds our work to protect, restore, and celebrate San Francisco Bay. Your support strengthens our programs and makes us even more powerful advocates. Give back and become a Blue Sponsor. Your sponsorship truly makes a difference.
